**RE: Earth Heat Resources Ltd – EHR  
Request for Trading Halt**

In accordance with Listing Rule 17.2 the Company requests an immediate trading halt pending a material announcement. The reasons are:

- The Company expects to make a material price sensitive announcement prior to market open next Monday;
- The Company expects to shortly execute a mandate for a substantial funding facility of up to \$30m (the equivalent of up to approximately 220% of the current issued capital), for the Copahue project in Argentina which it expects to be able to announce prior to 10:00am next Monday, together with a material corporate action;
- The Company requests that trading be halted immediately until after the expected announcement is made or until market open on Monday, 2 July 2012, whichever is the earlier;
- The Company is not aware of any reason why its securities should not be temporarily suspended.
