Dear Mr. Rowe,

**REQUEST FOR AN EXTENSION OF VOLUNTARY SUSPENSION**

Pilot Energy Limited (ASX: PGY) (**Pilot** or **Company**) requests an extension of the voluntary suspension of trading in its securities effective from the commencement of trading on Tuesday, 12 April 2021.

In accordance with Listing Rule 17.2, Pilot makes this request for an extension of voluntary suspension to enable the Company to confer with the ASX on the potential impact that the proposed transaction may have on the Mid West Feasibility Study Reporting Condition (refer to Annexure 1). Pilot confirms it will keep the market informed of any definitive development on this matter.

It is expected that the voluntary suspension will last until the commencement of trading on Monday, 19 April 2021, or Pilot releasing an announcement to the market, whichever occurs earlier.

Pilot is not aware of any reason why the extension of the voluntary suspension should not be granted.

This extension of voluntary suspension request has been authorised by the Board of Pilot.

Yours sincerely,

**Sally McDow**

Company Secretary

## **Annexure 1**

### **Feasibility Study Reporting Conditions**

1. The Company must continue to spend funds on its existing and proposed oil and gas projects.
2. The Company must disclose in each quarterly activities report until September 2022, the proportion of expenditure incurred in relation to exploration and evaluation on the oil and gas projects and the Mid West Wind and Solar Project.
3. The Company must disclose as separate line items in each quarterly activities report until September 2022, expenditure incurred in relation to exploration and evaluation on the oil and gas projects and the Mid West Wind and Solar Project.
4. Proceeding beyond the feasibility study stage of the Project (or incurring expenditure in excess of the budgeted feasibility expenditure in relation to the Project) constitutes a change in the nature and scale of the Company's activities in terms of Listing Rule 11.1 and as such the Company will be required to comply with all of the requirements of Chapters 1 and 2 of the Listing Rules before it proceeds beyond the feasibility study or incurs expenditures in excess of the budgeted feasibility expenditure on the Project.
